

UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW HAMPSHIRE

United States of America

v.

Case No. 10-cr-139-PB

Natasha Robitaille

O R D E R

The court finds reasonable cause to believe that the defendant may presently be suffering from a mental disease that could affect her competency to plead guilty or stand trial. Accordingly, pursuant to 18 U.S.C. §§ 4241, 4247, and with the consent of the parties, the court authorizes Dr. Albert Drukteinis to conduct an examination to determine the defendant's competency to stand trial. Following such examination, Dr. Drukteinis shall prepare a report to be filed under seal addressing the defendant's competency. This report shall also take into account any medications the defendant is currently taking.

SO ORDERED.
